A Child's Book Of The Garden: The Things In Our Garden

by Arthur Ransome

This book is part of the author's 'Nature Books For Children' series (three books), which is probably the best indication of its target audience and subject matter. The book is fun and charming, even for adults. Arthur Michell Ransome (1884 – 1967) was an English author and journalist, who had a reputation as one of the best English writers of children's books.
